

ANCIENT SUMERIAN TABLET

This is an invitation for an extra credit opportunity. In class we practiced writing on clay tablets using Ancient Cuneiform writing. To earn up to 30 bonus points for the second quarter you will need to make a small tablet containing cuneiform writing. I have attached the directions for the “clay” tablets and the baking instructions. In order to earn the extra credit have your baked tablet to me by Wednesday, November 8. If you have any questions feel free to email me at travis.swartz@k12.sd.us.

Salt Dough Recipe:

- 2 c of all-purpose flour
- 1 cup of salt
- ½ to ¾ cup water
- Food coloring for effect

Baking Recipe:

- Bake salt dough in a conventional oven at 200F. The drying time depends on the thickness and size of the pieces. It can be as short as 10 minutes for small, flat pieces to several hours for bigger, thicker ones.
