

# BARBED WIRE

**THE GREATEST FARMING INVENTION OF OUR TIME**

**The Barbed Wire Fence, patented by Joseph F. Glidden**

Farmers, are you having a difficult time keeping your livestock fenced in? Are you looking for a cheaper alternative to your rotting wooden fence? Maybe you are having a hard time keeping your Osage orange growing, well then I have the product for you. Joseph F. Glidden proudly presents, **BARBED WIRE**, the alternative to common fencing practices.

**BARBED WIRE** provides you, the farmer, the ability to construct an inexpensive but highly effective fence. Building a **BARBED WIRE** fence requires only fence posts, wire, and fixing devices such as staples. **BARBED WIRE** fences are easy to construct and quick to erect, even by an unskilled person!

**BARBED WIRE** will revolutionize the ranching community by making intensive animal husbandry practical on a large scale.
