

# WAX MUSEUM IS HERE!

Parents,

Our Wax Museum date is quickly approaching and I would like to officially invite all family, friends, and history buffs to our special night. The scheduled date of the Core 62 Wax Museum is Monday, May 13, from 5:45-7:15. The halls of West Middle School will be filled with personalities from all walks of life, who when a donation is added to their statue, will come to life and tell you their story. This is a special night for our students and community as the students voted to send all their proceeds to the Make-A-Wish Foundation. Please invite anyone and everyone, to help make your student's night all the more special!

Please be aware that this Wax Museum Presentation is an actual grade for the fourth quarter. We started this process with research back in January. This research was followed by a great deal of writing. We, as a class, have put in several weeks of practice for this one special night, so attendance is critical for their hard work to be worthwhile! If your child cannot make this night, please contact me. Any questions, please feel free to give me a call at the school or email me. [travis.swartz@k12.sd.us](mailto:travis.swartz@k12.sd.us)

For the night of the Wax Museum, I would like your student to be at West by 5:20 dressed and ready to go. This will give us enough time to set up their presentation area with anything they need. We will open the doors at 5:45 for our guests. Thank you!
